Message from Inspector Andrew

Following 'The Beast from the East and 'Storm Emma' things have now returned to normality from a Policing perspective and hopefully this is the same for yourselves. What has been clear for all to see is that the community spirit shone through across South Norfolk, with many of you helping to clear roads and assist stranded motorists.

I would like to thank personally those of you that assisted officers, without your help a difficult few days would have been even more so.

Message from your Beat Manager PC Paine

Aside from shovelling snow we have completed work on supporting the most vulnerable people within our communities. Supporting and connecting these people to partner agencies is an important part of our work. We have been fortunate in having work completed by colleagues from the Special Constabulary in paying some attention to our priority speed watch areas. The implementation of a new scheme to lessen demand from our retail units has been implemented, the intention being to increase visible Policing.

Neighbourhood Priorities

Currently the team are working on -

Drug related issues, speeding and retail theft.

Next Street Surgery-
