Steve

Are you happy to answer Mr Wildon's email?

Phil

**Subject:** Planning Application 20180471

Dear Phil,

I understand that there has been a merger of planning between South Norfolk and Broadland Councils.

I have just become aware of Planning Application 20180471 (Honingham Parish, although it relates almost entirely to Easton Parish). Marlingford and Colton Parish Council has a parish council meeting this evening - it would be helpful if I could say something about this application, which seems to bear no relationship to either the LDO or the Section 106 Agreement for the Food Enterprise Zone (Food Hub). The Council really needs some more information, and would need more time if it were to make a comment. I hope that you will be able to help.

You may be aware that there is a continuing series of email exchanges between the Council and Cllr Proctor about the LDO and the Section 106 Agreement.

Kind regards,

David Wildon

Chair,  
Marlingford and Colton Parish Council
