Your Beat Manager

PC 1869 Natasha Indans

YOU SAID, WE DID

Road safety

We have conducted lots of high visibility speed enforcement across Costessey and Easton, with help of the Special Constabulary and other Beat Managers. We have arranged for the camera van to have a presence in Easton, which they have now incorporated into their route, and eight Traffic Offence Reports (TORs) have been issued so far for speeding.

Wilful obstruction TORs have been issued across Queen's Hill after issue raised by residents, with reports that parking had improved on the estate.

Burglary and theft

There were recently two daytime burglaries in the area from driveways and car ports, and we managed to stop the suspects before they left the estate. The items were returned to the owners and the suspects interviewed.

Drug dealing / use

Following intelligence gathering, a warrant was executed on a known address for drug use. There were class B drugs found and seized within the address, and an investigation into potential distribution is still ongoing.

YOUR PRIORITIES

- Road safety
- Nuisance related anti-social behaviour
- Burglary and theft

NEED TO KNOW

Here are some tips to keep you safe from burglary:

Lock all doors and windows, removing the keys

Light up your house with dusk-to-dawn sensor security lighting

Hide your valuables, jewellery and cash in a safe.
